### **INSTANT INJURY OIL**

Natural Instant Injury Oil significantly hastens pain-relieving process. Therapeutic, deep-penetrating oil for the temporary relief of minor aches and pains of muscles and joints associated with arthritis, strains, simple backache bruises and sprains.

- In many cases, Natural Instant Injury Oil positive effects are apparent usually within one to two hours of treatment.
- Natural Instant Injury Oil contains 100% natural ingredients such as surfactants, preservations, antioxidants, and natural oils that ensure efficient transporting of active biological ingredients through the skin. The natural surfactants are not labeled due to their lowermost concentration. However, without them the efficiency of transdermal delivery of active ingredients through the skin is low.
- Natural Instant Injury Oil has high healing efficiency without adverse side effects.
