

NATURE'S PHARMA®
Healing Skincare

MICRODERMABRASION CLEANSER

Combines the most effective medical grade aluminum oxide exfoliating crystals with powerful antioxidant ingredients to remove dead skin while enriching the cells with deep cleansing nutrients. You control the level of intensity. Start gently and work more aggressively until you reach a level that is comfortable for you. **Caution: Do not buff the skin too aggressively.**

Directions: Wet face and hands with water, scoop a small amount of the crystals into the palm of your hand and using a mild buffing motion apply to your face. Avoid eye area. Rinse with lukewarm water.

Ingredients: Aluminum Oxide Crystals, Purified Water, Sodium Aureth Sulfate, Cocamidopropyl Betaine, Glycerine, Red Tea, Seaweed Extracts, Butylene Glycol, Hyaluronic Acid, Oil of Kumquat, Phenoxyethanol, Ethylhexylglycerin
